REIKI LEVEL 3 MASTER COURSE

Reiki is a gentle but powerful hands-on healing art. It helps restore balance and harmony to your mind, body and spirit. Used throughout the world by people of all races and belief systems, Reiki is something that can benefit people of all ages from children to adults including during pregnancy.

Reiki Level 3 Master Course will raise your energy vibration through the full potential of the Reiki Ray coming through you with your attunement to the master Symbol and one other, which you will also learn.

- This level is about continued self-healing and spiritual growth.
- You will continue to master self-awareness, knowledge, and your understanding of Reiki.
- Your Reiki will be four times stronger and work more efficiently to bring greater levels of healing for yourself.

This attunement works on the spiritual level of your energy field.

You will start to open up to greater levels of self-expression in your spiritual life, which will bring you great peace in your daily life. So, you will have greater skills to enable you to help others to heal and grow.

Are you ready to live life with greater levels of awareness and wisdom, and understanding of your spiritual connection?

Then you are ready to take this step forward in your personal journey.

With this attunement you will receive the Master Symbol which works at very high and fine vibrational frequencies. It will connect you in a deep way with aspects of your Self/Higher Consciousness. This can result in a very profound personal connection to Source/God/All That is, leading to intense and wonderful experiences of enlightenment. These periods of illumination can last for brief seconds or up to several hours, but their effects are more lasting and can be life changing.

This can bring you amazing insights, into your life path and life purpose, so that you can confidently step forward into the next phase of your spiritual journey.

This workshop is open to those who have completed Reiki Level 1 and Reiki level 2 workshops.

The focus of this course is your connection to your spiritual nature, letting go of ego and fully integrating Reiki into your life:

- Be attuned to the Reiki Level 3 Master Symbol

You will also receive:

- **Reiki Level 3 Master Manual** to take home for reference on all learning
- **Certificate of Completion** of Reiki Level 3 Master – in compliance with the RFI (Reiki Federation of Ireland)
- Continued **support**
- **Follow up** support session
- At the end of the workshop, we will arrange to meet for a follow up session of approx 2 hours, this usually takes place 3-4 weeks later. This allows us to share how you are getting on with Reiki Level 2, answer any questions you may have in the meantime and share some Reiki.

This course will also:

- Provide a wonderful relaxing time for you to reflect and heal yourself
- You will boost personal wellbeing and direction
- Meet new like-minded friends

It is recommended to wait at least 6 months after completing Reiki Level 3 Master before going onto do the Reiki Master Teacher Level, as the energies need to be integrated into the physical body and also to get experience of working with the energies proficiently. I always plan follow up courses with each group as we work through the levels with some people deciding to continue and new people joining the course, so please be assured all levels of Reiki will be available to you.
